Dear Prospective Amateur Radio Operator

Allow me to welcome you to a Milwaukee Radio Amateurs' Club (MRAC) license class. We hope you are successful in license pursuits. We also want to extend an invitation to allow us to help you in achieving your license and getting on the air. The club has over 100 members, so someone should live somewhat close-by.

Feel free to attend any of our monthly meetings held at Redemption Lutheran Church, hwy 100 and Capital Dr. Meetings are the last Thursday of each month (except December) and start at 7:00 PM.

On behalf of the board of directors, it is my pleasure to welcome you to the membership of the Milwaukee Radio Amateurs' Club (MRAC). MRAC is one of the oldest amateur radio clubs in the world, having been incorporated in 1917 and affiliated with ARRL (American Radio Relay League) in 1919 and operating continuously since. Over the years MRAC has sponsored an ARRL national convention, acted as QSL manager for a Space Shuttle SAREX (Shuttle Amateur Radio Experiment) mission and conducted classes in all grades of amateur radio licenses. We currently meet on a monthly basis, own and operate a repeater, conduct roundtable nets on 10 and 2 meters, operate in an annual radio contest known as Field Day, publish an almost monthly newsletter and a number of other activities (including the class you attended). We are one of only 14 Volunteer Examiner Coordinators (VEC) in the US.

73 (means best wishes) and good luck,

David B. DeFebo WB9BWP
President

as well as:

Matt Planning KB9PRC First Vice President
Brian White K9LCQ Second Vice President
Jim Tromblay WB9LNU Secretary
Les Hundt KB9QZQ Treasurer
Pancho Doneis KA9OFA Director
Ken Eggert W9MOT Director
